

Closed Corporate Groups 2019

Accent International works closely with many well-known global companies, national and international organisations and other groups and associations all over the world.

In 30 years, we have learned a lot about what our clients want by working closely with CEOs, HR Directors and Training Departments.

We have always provided specialist tailor-made programmes for special clients.

Now these programmes are more generally available.

Our clients have told us that their priorities are:

- Excellent quality in all aspects
- High levels of progress
- High levels of satisfaction
- Very specific focus
- Budget considerations

Our Closed Corporate Group programmes offer:

- Tailor-made programmes
- High levels of quality
- Specific company focus
- Close liaison with Training Department
- Excellent report and feedback process
- Group size of 4, 6, 8 or 10 from the company

We are aware of difficult economic conditions in many countries and many companies and so, in addition to all of these quality factors...

We can offer discounts of 25% - 30% on our usual group courses for these Closed Corporate Groups!

What the course includes:

- 40 hours/week in a closed group of 4, 6, 8 or 10 from the same company
- Full-board accommodation with Executive Home Stay.
- Lunch with trainers in restaurants/pubs every day
- Full social programme
- Transport between Exeter (station or airport) on arrival and departure
- Special Course Design in consultation with client company
- All course materials and administration
