

Please complete the pre-enrolment level assessment below.

If you are unsure about your level or would like us to check it, please complete the optional short questionnaire (5-10 minutes) which will appear when you submit this form if you have checked the button above. For each question there is only one correct answer. Just click on what you think is the correct answer. It should only take about 5-10 minutes. Please don't ask anybody or look in any books for the answer – this is to help us to find out **your** level so that we can plan your course correctly.
